108 Finger Permutations - Level 5

One-String-Skip Transfer: 2+2 Gap Crossing and Muting Control

Level 4 connected three adjacent strings. Level 5 restores the familiar 2+2 split so the only new variable is clearing one unused string.

1. Keep the foundation fixed

1 = index / fret 5
2 = middle / fret 6
3 = ring / fret 7
4 = pinky / fret 8
Return to the familiar 2+2 split.

2. Cross one silent string

Ascend: E-D, A-G, D-B, G-e.
Descend: e-G, B-D, G-A, D-E.
Notes 1-2 stay on the source string.
Notes 3-4 land on the target string.

3. Make the gap inaudible

The string between source and target stays silent.
First pass: accent landing note 3.
Second pass: equalize all four notes.
Use both downstroke and upstroke starts.

Worked example - code 1234

Play 1-2 on the source string, clear the middle string, then land 3-4 on the target string.

ASCEND - ONE-STRING SKIPS

```
e|--------|--------|--------|----7-8-|
B|--------|--------|----7-8-|--------|
G|--------|----7-8-|--------|5-6-----|
D|----7-8-|--------|5-6-----|--------|
A|--------|5-6-----|--------|--------|
E|5-6-----|--------|--------|--------|
```

DESCEND - ONE-STRING SKIPS

```
e|5-6-----|--------|--------|--------|
B|--------|5-6-----|--------|--------|
G|----7-8-|--------|5-6-----|--------|
D|--------|----7-8-|--------|5-6-----|
A|--------|--------|----7-8-|--------|
E|--------|--------|--------|----7-8-|
```

PASS 1 Lightly accent note 3 and listen for accidental contact with the skipped string.

PASS 2 Remove the accent, keep the skipped string silent, and reduce unnecessary pick travel.

Use shallow pick depth; the pick should clear the gap without making a large vertical jump.

Practice protocol

1. Choose one 12-exercise set.
2. Start 10-15 BPM below your clean Level 4 tempo.
3. Play every exercise up and down with a downstroke start.
4. Repeat the full set with an upstroke start.
5. After three clean loops, add 2 BPM next session.
6. After two noisy skips or tension, reduce 4-6 BPM. Advance only after two clean days.

Level 5 - One-String-Skip Transfer

Set 1 of 9 - Exercises 001-012

2+2 split: notes 1-2 on the source, notes 3-4 on the target; leave the middle string silent.
